Important Course Information

For the classroom component, participants are encouraged to wear casual, comfortable clothing. All classrooms are air-conditioned and due to the varying comfort levels of participants we ask that you bring a light sweater or jacket.

For the field trip component, participants should use the following list as a guide when preparing for the outdoors.

What to wear:

- Comfortable, layered, breathable clothing,
- Comfortable, closed-toe shoes that you don't mind getting dirty or wet,
- A hat,
- Sun glasses,
- Sunscreen.

What to bring:

- Insect repellant,
- Sunscreen,
- Bottled water(s),
- Money for lunch.
- A small, waterproof daypack with other items you may need during the day; be sure that it can be secured to your waist (or your body).
